Arts Education Committee

The Arts Education Committee includes 6 board and non-board members and meets 6 times annually. Members of the Arts Education Committee provide experience and expertise in various aspects of life-long learning and connect BCA programs to trends and themes in arts education. The committee evaluates, advises and guides the art education programs, which include education studios, classes, camps and workshops, school artist-in-residence programs at IAA and with Head Start, afterschool programs and Art from the Heart at UVM Medical Center.
