

**Arts Education Committee meeting**

**Tuesday, May 17 from 2-3pm**

**BCA Center, 3<sup>rd</sup> floor**

**Proposed Agenda:**

- Overview of classes and camps and comparison to prior years
- New initiatives for improvements this summer
- Education Updates
  - Relocation update and closure of Memorial

**BCA Arts Education Committee**

The Arts Education committee is an important advisory and advocacy group focused on BCA's education department. The committee reviews current programs, helps to brainstorm program ideas and marketing strategies, connects BCA staff with community professionals, sets up relevant site visits, and helps to fundraise and promote BCA education with the larger board, donors and the public. The Art Education Committee meets before BCA board meetings (usually scheduled every other month).
