BCA's mission is to nurture a dynamic environment through the arts that makes quality experiences accessible regardless of economic, social or physical constraints.

We do this by:

- Supporting and promoting Vermont artists and advancing the creation of new work
- Offering a wide spectrum of arts education and engagement opportunities
- Presenting exhibitions and events that place Burlington in a global context, promote critical dialogue and encourage local participation
- Serving as the City of Burlington's cultural planner by making the arts integral to the area's economic and civic development, urban design, and livability.
