

Arts Education Committee meeting

Tuesday, March 15 from 2-3pm

BCA Center, 3rd floor

Proposed Agenda:

- Overview of BCA Education position statement and strategic plan in process.
- Education Updates
 - Relocation update and closure of Memorial

BCA Arts Education Committee

The Arts Education committee is an important advisory and advocacy group focused on BCA's education department. The committee reviews current programs, helps to brainstorm program ideas and marketing strategies, connects BCA staff with community professionals, sets up relevant site visits, and helps to fundraise and promote BCA education with the larger board, donors and the public. The Art Education Committee meets before BCA board meetings (usually scheduled every other month).
