

Welcome back to the BCA Center

BCA has missed you, our community! There is ample space for visitors to enjoy, reflect, and be inspired by our exhibitions. With the health and safety of our visitors and BCA staff as our highest priority, we have enhanced our disinfecting protocols throughout the building, including the addition of hand-sanitizing stations at the entrance and on every floor.

Guidelines for your BCA Center Visit

Max. Visitor Occupancy: 25

New Hours: Wednesday – Saturday, 12-5 pm

We remain free and open to the public. You do not need to schedule your visit; however, you may need to wait 3-5 minutes if another group proceeds you.

Masks and Face Coverings Required

This is for your protection as well as the safety of other visitors and staff. Please wear your mask/face covering to BCA (for anyone over 3 years of age).

Be Well! – Health Check with Visitor Services

Please visit only if you are well. If you have a fever, cough, sore throat, or any other symptoms, we ask that you stay home. **Visitors will be asked to check their temperature upon entering.** BCA will request the name, phone number, and email of each guest in case there is a health issue and you need to be notified. Also, if you become ill within 48 hours of your visit to BCA, please notify us by calling 802-865-7166. We will only use this information for official health notification, should the need arise.

Directional Pathway – Follow the Arrows, Use the Elevator

To ensure an optimum and safe visit, visitors are asked to follow the directional pathway for each floor of the galleries and practice social distancing of at least 6 feet from other people/groups. We also encourage you to use the elevator, and travel in separate groups, so that our staff may use the stairs.

Social Distancing

Please maintain a safe distance (6 feet minimum) from other people/groups. If you enter with a small number of guests, you may stay together. Please limit your group to 6 adult visitors or fewer in the galleries at one time.

Backpacks & Personal Items – Self-Service Lockers

Please leave your bags, backpacks, and personal items at home or in your vehicle, to prevent passing items to and from staff. Backpacks, large bags, food, and open beverages are not allowed in the galleries. A limited number of self-service lockers are available to secure your belongings.

Want to Learn More?

To optimize your BCA Center experience, and to increase our no-touch and low-touch options, we have added QR Codes so you may access our Gallery Guides. A limited number of printed Gallery and Education Guides are available. If you take a guide, please either take it with you or recycle upon exiting the building.
